Word To Parents

Mount Dora Christian Academy

December 6, 2018

On Saturday the VPK students participated in the Mount Dora Christmas Parade. Thank you to the VPK families that came out on Saturday. Your kids made the MDCA Preschool look so good! We had quite the adventure between the rain and crowded streets, but the kids had a great time. Thank you to the room moms for providing decorations and decorating the float on Friday afternoon. Special thanks to The Hawkins family for providing the trailer. And thank you to Mr. Delahoz for driving the float and getting us safely back to the preschool. What a fun morning!
